## **NOTICE TO APPLICANTS REGARDING PRE-EMPLOYMENT DRUG TESTING**

Any individual applying for employment with the Crawford County Library System (the "Library") shall submit to a urinalysis drug test as a mandatory part of the employment application process. This notice serves as a written statement of the Library's intention to conduct such testing as part of the application process. The testing will be conducted by a certified laboratory/testing service selected by the Library, in accordance with the procedures required by applicable state and federal regulations. Additionally, the Crawford County Library System requires successful completion of a urinalysis drug test if it has reasonable suspicion that an employee is under the influence of drugs or alcohol which adversely affects or could adversely affect the employee's job performance. The Crawford County Library System also requires employees in occupations that have been designated as safety-sensitive by the State of Connecticut to undergo random urinalysis drug testing.

Tested applicants will be given a copy of any positive test result. All test results shall be considered confidential by the Library and shall not be disclosed to the employees of the Library, or any other person, other than to those persons for whom such disclosure is necessary. Positive test results, or a refusal to sign this consent form and participate in pre-employment drug testing, shall be grounds for denial of employment. Arrangements for testing will be made by a representative of the Library, in consultation with each applicant. Cooperation in scheduling the testing is important for processing an application.

By signing below, you consent to be drug tested and acknowledge you have thoroughly read the foregoing notice and policy, and you understand and agree that in order to be considered for employment with the Library, you will comply in full with the Library's drug testing policy.
