Library to Host Flu Shot Clinic

Natchitoches, LA, January 19, 2021 – In partnership with Healthy Blue Louisiana and CVS Pharmacy, the Natchitoches Parish Library (NPL) will be hosting a drive-thru flu shot clinic Thursday, January 28th, from 11 AM until 1 PM. Immunizations will be available in the NPL parking lot at 450 Second St. An immunizing pharmacist will be on the premises to administer this year's flu vaccine at no cost with most insurance. Be sure to bring a valid photo ID or driver's license, along with proof of insurance, to receive the vaccine.

The flu affects millions of people throughout the United States each year. Flu symptoms overlap with those of COVID-19; and you can contract both at the same time. Protect yourself and your family by visiting the NPL's flu shot clinic if you have not yet received a flu vaccine. Before receiving your vaccination, you will be required to submit a universal consent form.

If you have any questions about this or other NPL services, you may call the NPL (318-357-3280) or message the NPL's Facebook page (Natchitoches Parish Library).
