### Find Fun Reads with NoveList

Natchitoches, LA, April 15, 2021 – Have you ever finished a great book and wanted to find more just like it? Or wanted to help your child find just the right book to read? The Natchitoches Parish Library (NPL) offers NoveList Plus, a helpful resource to help readers match up with the books that are right for them.

The NoveList Plus database connects readers to their next book by making recommendations for what to read next. One of the most popular elements is “read-alikes.” This feature suggests titles that are ‘just like’ other titles. If you have just finished a great book, log in to NoveList Plus and find great read-alikes, which are also available for authors and series. Another browsing option is to plug in keywords and NoveList Plus will offer suggestions meeting those criteria.

Consider NoveList Plus your one-stop guide to great reading. It contains lists of recommended reads and award-winning books. It covers both fiction and nonfiction titles for all ages from the youngest readers to adults. It also has extra content like reviews (both professional reviews and reader reviews), book discussion guides, curriculum guides, and other book-oriented articles. Book groups and teachers may find these resources especially helpful.

Library usage is a critical component in literacy, education, and life-long success, and NoveList Plus provides valuable support. By identifying the right books for every reader, it helps younger readers achieve reading success and older readers find engaging titles for their reading list. Search is available by age, reading level, grade, and more.

Audiobook recommendations are a recent addition to NoveList Plus. When you want to find the perfect listening experience – whether that means short, long, for the whole family, or even a specific narrator – this service will help you find lots of suggestions. You can even get a preview with included sound clips.

Ask about NoveList Plus on your next trip to the NPL or visit their website at natlib.org. For more information on NPL resources and classes, you may sign up for the monthly newsletter at natlib.org. Just click on the envelope icon at the bottom of the page to subscribe. Daily updates are also posted to the NPL’s Facebook, Instagram, and Twitter accounts.
