Library Resumes Free Academic Tutoring

Natchitoches, LA, January 11, 2022 – In partnership with Northwestern State University (NSU), the Natchitoches Parish Library (NPL) has resumed the free tutoring service at the library this semester. Tutors are completely free and open to the public. The service is available weekdays from 3 PM to close. Appointments are recommended, but not required. Sessions are scheduled in 30-minute blocks. Tutors are available to work on reading and math skills with students from pre-k to elementary. Three to four tutors will be present each day to allow multiple children to be tutored in the same time slot. To reserve a tutor, call the NPL Children’s Desk at 318-238-9222. Walk-ins are allowed, but a tutor cannot be guaranteed.

Parents must remain in the library for children 11 and under. Patrons exhibiting COVID-like symptoms are asked to refrain from using this service. Homework Louisiana (HomeworkLA) may be accessed remotely for free virtual tutoring.

HomeworkLA offers live, online tutoring for kindergarten through basic college level. Live tutors are available 2 PM to midnight every day. Patrons also have access to writing, career, and adult education centers.

If you have any questions, about this or any other NPL activities, you may call the NPL (318-357-3280) or message the NPL’s Facebook page (Natchitoches Parish Library).
