Library Community Shredding Service Friday

Natchitoches, LA, April 27, 2021 – The Natchitoches Parish Library's (NPL) popular Community Shred Service is back, just in time for spring cleaning and post-tax document disposal. Do you have old files laying around that you need to properly get rid of? Or confidential information that you do not want to toss in the trash?

The NPL is hosting its four-hour shredding event, Friday, April 29, from 10 AM to 2 PM. An industrial-strength mobile shredding truck will be available for public use at the NPL Main Branch (450 Second St.) for no cost.

Only paper documents may be disposed, and staples and paperclips DO NOT need to be removed. Everyone is welcome, businesses included! Those making use of this fee-free service must stay with their documents until they have all been loaded into the shredder. No drop offs are allowed.

For information about this or any other library events and services, visit the NPL's Facebook page or natlib.org.

The large industrial shredder can handle thousands of pages at once, even with paperclips and staples still on!
