#### Library To Offer Community Shredding Service

Natchitoches, LA, September 21, 2022 – The Natchitoches Parish Library's (NPL) popular Community Shred Service is back! Do you have old files laying around that you need to properly get rid of? Or confidential information that you do not want to toss in the trash?

The NPL is hosting its four-hour shredding event, Friday, October 7, from 10 AM to 2 PM. An industrial-strength mobile shredding truck will be available for public use at the NPL Main Branch (450 Second St.) for no cost.

Only paper documents may be disposed of, and staples and paperclips DO NOT need to be removed. Everyone is welcome, businesses included! Those making use of this fee-free service must stay with their documents until they have all been loaded into the shredder. No drop-offs are allowed.

For information about this event and other library classes and services, visit the NPL's Facebook page or [natlib.org](http://natlib.org).
