

# Volunteer @ your local library

Join the White House, the [Corporation for National & Community Service](#) and libraries, non-profits and community groups across the country in [United We Serve](#), a national effort launched by President Obama to engage more Americans in serving their communities this summer.

**Opportunities  
for all ages!**

The Oconee County Public Library needs the help of dedicated volunteers to meet the challenges and needs of our library users. Volunteers are considered valued members of our library family. As a library volunteer, you will:

- Acquire new skills and knowledge
- Gain a sense of satisfaction in serving your community
- Support literacy and life-long learning
- Be recognized through frequent expressions of appreciation
- Meet new and interesting people
- Have fun and feel appreciated!

**"In today's economic climate, libraries face increasing challenges in carrying out their mission to provide opportunities for lifelong learning. In an era when demand for library services is increasing but funding for them is declining, volunteers play an important role in supplementing the high-quality service library staff provide." - American Library Association President, Jim Rettig**
