

Attention Book Lovers!

The Dingmans Book Club will start up its new season on

September 21st at 5:30 pm

Dingman Township Library Branch

For our first meeting, please have in mind the title of a book that you really love or one that has made a difference for you, and to tell us why you think we all should read it.

The books we will read this season will be selected from the list of your suggestions. This should give us a great mix of all types of literature: new, classic, thrillers – prose or poetry.

Please note: Each member will be responsible for obtaining their own copy of whatever we chose to read.
