

Essential Oils for Your Health and Zyto Scanning

Tuesday, April 30th, 5:30-7:00 pm

Pike County Public Library - Dingman Branch

Come join us in learning how to support your health and wellness by using essential oils and how to use them to replace harmful chemicals in your life. This is a FREE introduction to essential oils class. We will explore the most popular oils, blends and Young Living's other wellness products

You are probably wondering what zyto scanning is? You can get scanned by this machine and it will read what oils your body is needing for health and balance. Come give it a try!!!!

Bring a friend and learn how life changing essential oils can be

MUST RSVP to the Pike County Public Library Dingman Branch
at (570) 686-7045

or email: [**dambrose@motivationsforwellness.com**](mailto:dambrose@motivationsforwellness.com)

Looking forward to seeing you at the class!!!
