

Fire-breathing Dragons

These fire breathing dragons are so easy to make! Here's what you'll need:

- Paper Roll (Toilet paper roll, paper towel roll, or wrapping paper roll)
- Green or Red Construction Paper
- 2 Medium Pom Poms
- 2 Small Pom Poms
- 2 Medium Googly Eyes (or cut out two round shapes)
- Red, Yellow and Orange Tissue Paper
- Glue, Glue dots or tape

1. Cut the construction paper to the size of the paper roll so it would completely cover it and use glue to attach it to the roll.
2. Attach the two medium pom poms and the two small pom poms.
3. Attach the googly eyes to the medium pom poms.
4. Attach strips of red, yellow and orange tissue paper to the top and sides of the cardboard tube.
