Putting Through History

Natchitoches, LA, March 9, 2020 – The Natchitoches Parish Library (NPL) hosted a Black History Month themed mini-golf course in February. It was a family friendly night of free fun! Patrons played through 12 holes with varying themes relating to black history. These were very wide-ranging, included film, food, astronauts, athletes, and more! Related books were also on display and available for checkout.

For more information about future programs, contact Alan Niette, Community Outreach Coordinator, at 318-238-9236, alan@natlib.org, or visit the NPL's Facebook page.
