### Library Hosts Scavenger Hunt

Natchitoches, LA, September 8, 2020 – September is National Library Card Sign-up Month and there is no time like the present to get yourself a library card! With your free library card, not only can you check out materials (including laptops, and portable Wi-Fi), you can also access all of the many databases available to Natchitoches Parish Library (NPL) patrons, including live homework help, language learning, genealogical research, and more.

Library cards are available at no cost, and all you need is a current photo ID with your parish address to register. If your address is not current, just bring in a piece of mail or a bill showing the correct one. And, from now until the end of 2020, the NPL is waiving the lost card replacement fee. So, if you are not sure where yours is, or if it's looking kind of raggedy, you can get a new one for free!

To celebrate, the NPL is hosting a scavenger hunt where patrons can earn prizes and entries into a grand prize drawing. To take part in the hunt and receive your clues, pick up the Field Notes booklet available at any circulation desk. Prizes can be redeemed and completed booklets turned in for drawing entries at any circulation desk. The scavenger hunt will take participants around and near the downtown area to find one of several painted rocks that have been hidden (please do not move/remove them so that everyone can enjoy).

For more information regarding library programs and databases you may visit [natlib.org](http://natlib.org) or call 318-357-3280. Or you may go by either location and library staff will help you to set up an account and familiarize you with any of its services.
