Who Are the Friends?

The Friends of the Natchitoches Parish Library (FONPL) is a group of individuals and businesses who are interested in having a strong library system in Natchitoches Parish.

Mission Statement:

"The Friends of the Natchitoches Parish Library (FONPL) is a non-profit, volunteer organization that encourages public interest and support of the Library. Funds raised by the FONPL are used to meet library needs not met through the traditional Natchitoches Parish Library budget. Funding support includes, but is not limited to, the purchase of special equipment and sponsorship of special thematic library programs.

The Friends of the Natchitoches Parish Library is organized exclusively for charitable and educational purposes including, for such purposes, the making of distributions to organizations that qualify as exempt organizations (specifically, the Natchitoches Parish Library) described under Section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code." (Adopted November 2016)
